

CHERUBIM — FRUITS —

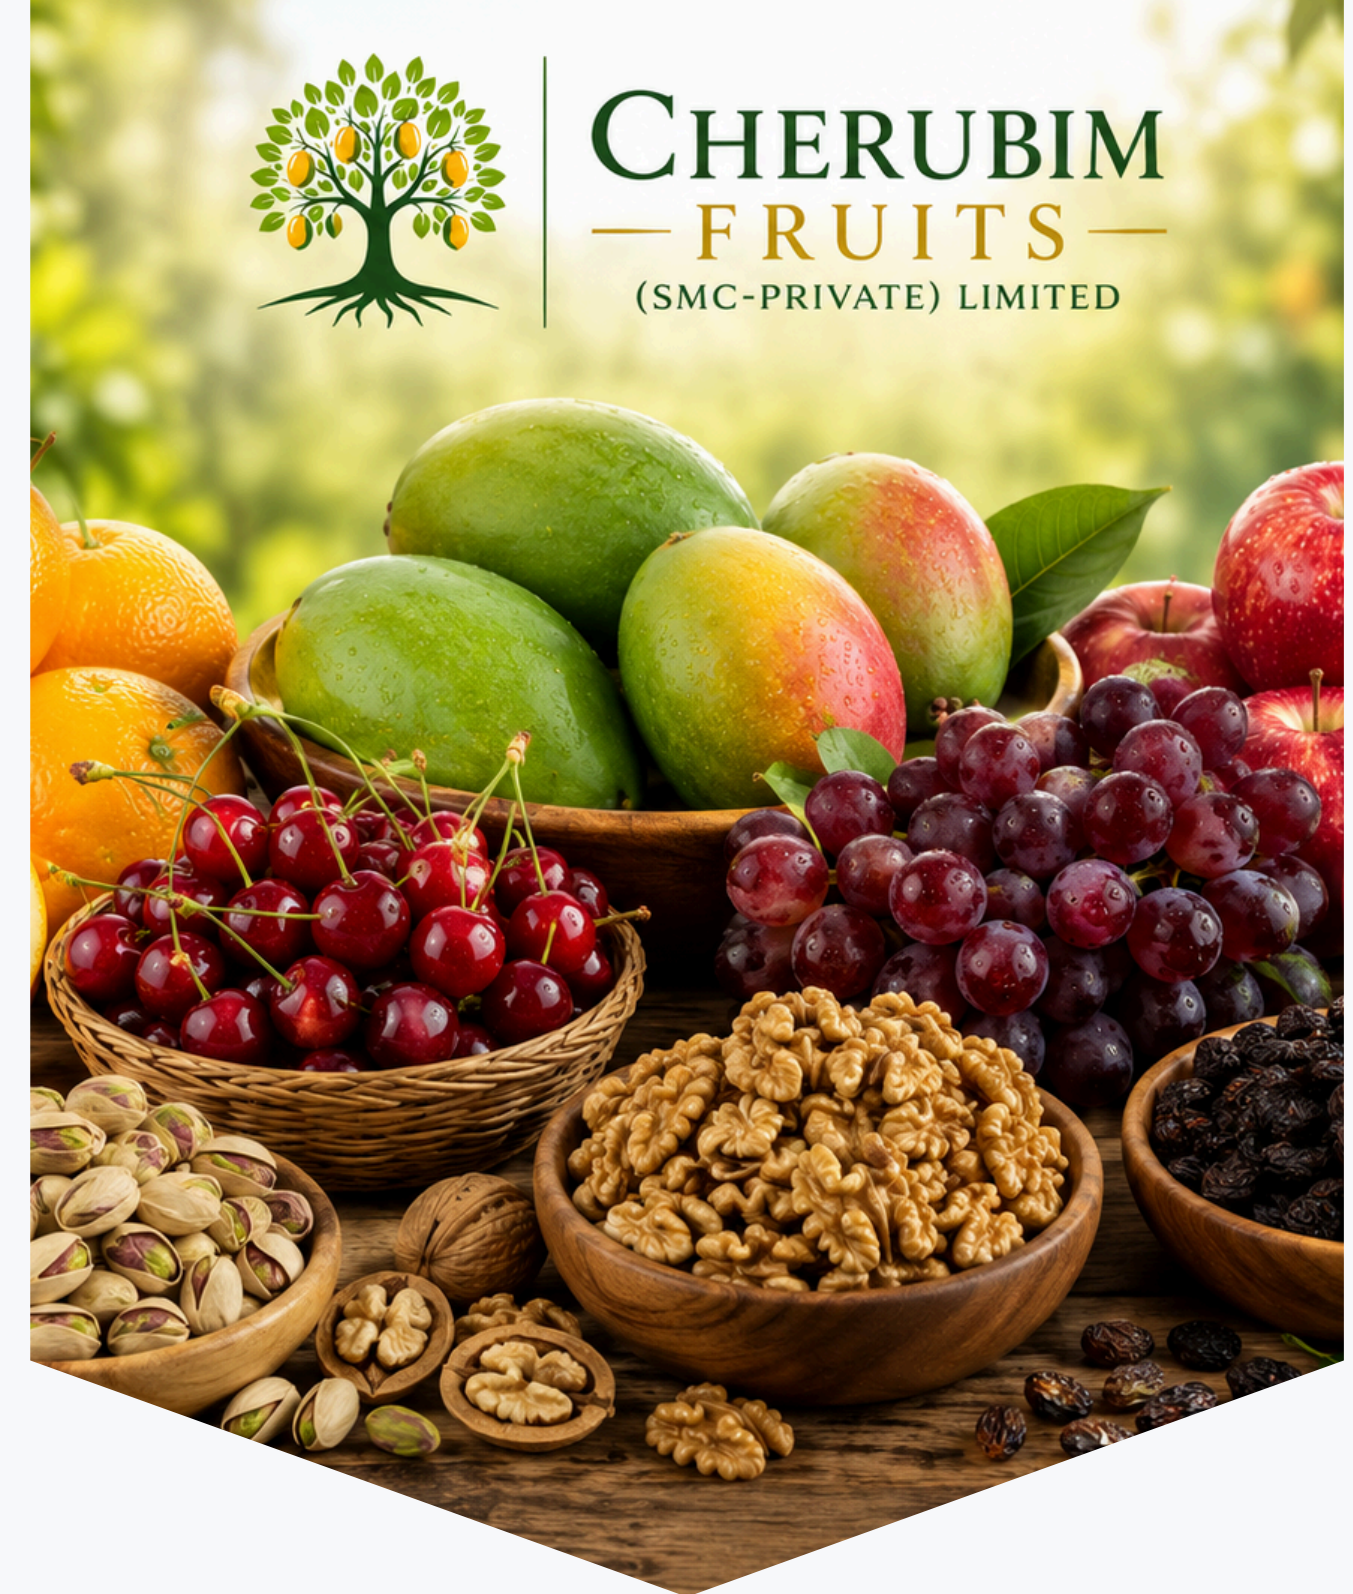

(SMC-PRIVATE) LIMITED

PREMIUM QUALITY • NATURALLY DELICIOUS

INTRODUCTION

Cherubim Fruits (SMC-Private) Limited is a trusted supplier of premium-quality fresh fruits and dry fruits, dedicated to delivering nature's finest produce from Pakistan to local and international markets. Through direct partnerships with experienced farmers and a commitment to quality, freshness, and reliability, we ensure that every product meets the highest standards. Our focus on excellence, sustainable sourcing, and customer satisfaction enables us to build lasting relationships while showcasing the rich agricultural heritage of Pakistan.

COMPANY OVERVIEW

Welcome to Cherubim Fruits..

Cherubim Fruits (SMC-Private) Limited is a Pakistan-based premium fruit company dedicated to delivering the freshest, healthiest, and highest-quality fruits and dry fruits to customers across local and international markets. Built on trust, integrity, and excellence, we work directly with experienced farmers and carefully selected orchards to ensure every product reflects the richness of Pakistan's fertile lands.

COMPANY BACKGROUND

Cherubim Fruits (SMC-Private) Limited is a Pakistan-based company specializing in the sourcing, packaging, distribution, and export of premium-quality fresh fruits and dry fruits. Established with a vision to promote Pakistan's rich agricultural heritage, the company connects trusted local growers with customers in domestic and international markets.
